### Tour The Lois McClure

September 27th & 28th  
3:00 p.m. to 6:00 p.m.

The 1862 canal schooner *Lois McClure*, will make a return stop this month. The 90-foot schooner is a full-scale replica of an 1862 sailing canal boat. These unique vessels were designed to sail from lake cities to canal ports using wind power and then to lower their masts and sails when traveling along canals.
