

Hudson Crossing Park's

Banquet by the Bridge

Sponsorship

Thursday, June 13, 2024

Banquet by the Bridge is a celebration of community that will help ensure that Hudson Crossing Park is able to continue to provide a unique educational and recreational resource for our region. Held beside Hudson Crossing Park's historic Dix Bridge, which formally joins Saratoga and Washington counties and bridges communities on both sides of the Hudson, the evening will feature a pre-dinner cruise along the Champlain Canal for Honorary Committee Members and sponsor guests and wine and dessert for all on the bridge after dinner.

The heart of the evening will be the presentation of Hudson Crossing Park's Third Annual Sunshine and Seedling Awards. The Sunshine Award honors an established member of our community who has lit the way forward and provided energy to projects and initiatives in the area in an ongoing, dedicated way. The Seedling Award recognizes a graduating senior from Saratoga, Warren, or Washington County who has just begun demonstrating their leadership capacity, and shows promise for continued community leadership as they leave high school. **Together, they represent the bridge between experience and new growth which bring places like Hudson Crossing Park to life.**

With an anticipated guest list of 150 to 200 local business leaders, government officials, and friends and supporters of Hudson Crossing Park, **your sponsorship of Banquet on the Bridge will highlight your organization's dedication to community involvement and our region.**
