WHAT TO BRING

Be Prepared for the Weather

SOAR kids will be outside 100% of their day and often exploring different types of terrain. They should wear comfortable clothing that can get messy and closed toe shoes. *Please, absolutely no flip flops!* Closed toe sandals such as keens are great, as they can get wet without discomfort. SOAR activities will be held rain or shine, and only cancelled due to weather should the weather be considered dangerous (thunderstorms, high winds, excessive heat and humidity, etc).

Sunscreen + Bug Spray

Sunscreen and bug spray should be applied prior to drop off. SOAR educators and assistants will not be able to apply sunscreen or bug spray to your child. SOAR kids are welcome to bring their own (labelled and with their name clearly written on it) to apply themselves throughout the day if necessary. Please remember to have children check for ticks each day.

Hudson Crossing Park is located on the Hudson River at Champlain Canal Lock 5, just outside of Schuylerville, NY.

For more information visit www.HudsonCrossingPark.org.

Food and Drink

SOAR kids should bring a full reusable water bottle, healthy snacks, and a lunch. SOAR kids are challenged to have zero waste, but in the case of single-use containers/materials, we ask that children bring their trash and recyclables home with them to dispose of. Water onsite is not potable but SOAR Educators will have a cooler of water available for refills.

REGISTRATION POLICIES

Registration

Registration is accepted on a first-come-first-serve basis and can be completed at www.HudsonCrossingPark.org/SOAR

Financial Assistance

There are a select number of full and partial scholarships available. For more information e-mail Park Director Kate Morse at kmorse@hudsoncrossingpark.org.

Absences

SOAR week will not be prorated based on attendance. If your child is unable to attend a day or a registered week of the SOAR program, you will not be credited or refunded.

Waiting Lists

In the event that a SOAR week fills prior to your registration, you may place your child on our waiting list. You will be contacted if a spot becomes available as soon as possible before session start date.

HEALTH AND SAFETY

Medications dispensing

No medication will be dispensed by SOAR educators or assistants.

Permission to seek medical attention

At the time of your online registration, you authorize waivers that include a medical release, giving us permission to seek medical treatment for your child in case of an emergency. Please update this form as necessary with any changes in home, work, or medical phone numbers.

Emergency Situations

In case of life-threatening emergencies, a member of our staff will immediately call 911, administer First Aid and/or CPR, and notify you as quickly as possible. If you cannot be reached, your designated emergency contact will be notified. If transportation to the hospital is needed, a staff member will accompany your child in the ambulance and will stay with him/her/they until you arrive.

COVID 19 precautions

The safety of our participants and educators is our highest priority. Parents/guardians will be required to sign children in each day with an attestation form stating that SOAR kids have had no symptoms of COVID 19, have not been in contact with anyone who has tested positive in the last 14 days, or been told to quarantine. These requirements must be followed at all times to ensure the health and safety of the entire group, and by registering your child for SOAR week you agree to do so. Hudson Crossing follows local, state, and CDC guidelines, which are subject to change.

Special Needs

Hudson Crossing Park is committed to living out our value of inclusiveness which guarantees nondiscrimination and equal access for all in our programs, services, and activities. We strive to provide the best experience for your child, and ask that prior to registration, you consult with the Park Director regarding any special needs of your child. We will work to provide reasonable accommodations upon request. Inclusion information for children with special needs must be provided at the time of registration & directly to the SOAR Education Team on the first day of the program.

Expulsion Policy

Hudson Crossing Park is committed to the inclusion of children from all backgrounds and personality types. However, if a child's behavior poses a threat to themselves, other children, SOAR educators, or anyone else, they may be asked to leave the program with or without notice. Unacceptable behavior includes bullying, violence, and any activity deemed dangerous by HCP personnel. If you have concerns about your child, please speak with Park Director Kate Morse prior to registering. If your child is asked to leave the program due to behavioral issues, you are not entitled to a refund of any camp fees or payments.

Nut Free Policy

To ensure the safety of all of our SOAR kids, we are a NUT FREE program and ask that you do not send your child with any nut products or products processed with other nut products. Please check all food labels before sending them to camp. If you are using an alternative to peanut butter, such as sun butter or soy butter, please be sure to clearly label the food as such. If we are unable to clearly identify this difference, we will assume that the product contains nuts and will continue to follow our policy.

Hudson Crossing Park is located on the Hudson River at Champlain Canal Lock 5, just outside of Schuylerville, NY.

For more information visit www.HudsonCrossingPark.org.

How we keep SOAR nut free: Some manufacturers clearly state if a product has peanuts or nuts in it, while for other manufacturers it is not clearly stated. PLEASE READ THE LABELS each time you purchase. Do not purchase items with the allergy and ingredient alert such as: "May Contain Peanut or Tree Nuts," "Processed on shared equipment with Peanuts or Tree Nuts," or "Contains Peanut or Tree Nut Ingredients."

What happens when nut products are brought to camp? SOAR kids' lunches and snacks will be checked for NUT PRODUCTS during each lunch break/snack time. Once their food is cleared they will be able to enjoy their meal. If a NUT PRODUCT is discovered the camper will offered a suitable replacement and asked to keep it unopened and taken home.
